

**MUSEUM IN MOTION**  
24 Hours of Le Mans Race  
June 3rd - June 13th, 2023

**Join us for the 100th year of The 24 Hours of Le Mans!**

Join us as we return to France for the 100th year of The 24 Hours of Le Mans. Here is the chance to see Corvette Racing against the world's best GT cars in the most famous race of all. Just a few highlights of the tour include stops in Paris, Normandy, and of course Le Circuit de la Sarthe (Le Mans Track). We will have professional guides with us during the entire trip to assist with our travels. After four nights in Paris, we will spend two nights in Normandy before we travel to Angers where we will stay throughout the Le Mans race.

The next three days will have us visiting the Le Circuit de la Sarthe (Le Mans track) as well as the town. Monday, we depart Angers and travel back to Paris for one last free day. Check out of our hotel and continue with your plans of either more travel or to the airport.

Hotels, ground transportation, tour tickets, all breakfasts, some meals, Le Mans general admission race tickets, and Corral tickets are included. We have a very limited number of openings left so make plans to join us in making memories, new friends, and seeing beautiful France.

**New Agent – Cameron Odil**

We are excited to announce our newest team member, Cameron Odil! Cameron comes to us with years of insurance experience after working with State Farm and Liberty Mutual as a licensed agent. When asked what he enjoys most about the NCM he says, “When you’re born and raised in Bowling Green, having an appreciation for Corvettes and collector vehicles just comes with the territory. If you didn’t own a Corvette, you knew someone that did and thankfully my uncle’s ‘76 Stingray got me started off on the right foot. Over the years, I worked at dozens of car shows at Beech Bend Raceway which ultimately became a driving factor behind my car obsession.” Cameron is looking forward to talking shop and showing you how we can provide better coverage at a fraction of the price!
