INTRODUCING THE CORVETTE STORE VINTAGE SHOP

Fuel your generosity AND clean out your closets by helping the National Corvette Museum's Corvette Store stock our first-ever Vintage Shop. We're on a mission to fill our shelves with the coolest vintage Corvette merchandise, which will be available in limited "product drops" in 2024 on CorvetteStore.com.

WHY A VINTAGE SHOP?

The Corvette Store's Vintage Shop gives the Museum another opportunity to showcase the car's incredible history and the fashions that have accompanied it, while the interest in vintage apparel has skyrocketed with younger generations craving a unique look.

HOW IT WORKS

Do you have old Corvette-branded items taking up space? Instead of letting your collection gather dust, consider donating it to the Corvette Store. We're seeking all types of Corvette merchandise, including T-shirts, totes, lapel pins, and more. All donations must be clean, odorless, and in good (like-new) condition.

- Donations can be shipped to the Corvette

Store with Attn: Vintage Shop on the label or dropped off at the Corvette Store on Monday/Wednesday/Friday between 10am – 5pm.

- All Donations must arrive in a closed bag or closed box. Items not in a closed box or bag may be refused.
- Items donated will be inspected by Store associates. Items that do not pass inspection will be discarded at the discretion of store associates.
- Donations shipped to the store will not be returned.
- Please include name, phone number, email address and physical address in the box for donation purposes
- Pricing is determined by Corvette Store Associates during our product evaluation process. The tax deduction documentation will be provided by the National Corvette Museum Development Team.

*These items will be resold to help support the mission of the Museum.

The following items will not be accepted:

- Dirty, broken, damaged, or items in poor condition.
- Bedding
- Socks
- Batteries or battery tenders
- Food, perishable items, and personal hygiene products
- Automobile Parts
- Large appliances
- Personalized items including R8C merchandise
- Paint or any chemicals

As a Lifetime Member of the National Corvette Museum, you make programs like the Vintage Shop possible and allow us to celebrate the rich history of Corvette while introducing America's Sports Car to a new generation. Here's to a season filled with gratitude, history, and the thrill of the open road.
