Museum Leadership Update

As we approach the National Corvette Museum's 30th Anniversary, I wanted to provide an important update to our Corvette Club Ambassador community. As we look to the future and the continued growth of the National Corvette Museum, we are committed to finding a Chief Executive Officer who embodies our mission, passion, and dedication.

To aid us in this crucial search, we have enlisted the expertise of Russell Reynolds Associates, a global executive search and leadership advisory firm that helps companies and Boards shape what's next right now. Their reputation for finding exceptional leadership talent aligns perfectly with our mission and values.

We understand that change can bring both excitement and uncertainty. Please be assured that our priority remains the same: to honor the legacy of the Corvette while driving toward an even more vibrant and inspiring future. Russell Reynolds will work closely with us to ensure we find a CEO who shares our vision and commitment to excellence.

We are approaching this search with great care and thoughtfulness. Thank you for your ongoing support and belief in the National Corvette Museum. Together, we will continue to celebrate the past, present, and future of the Corvette, creating memorable experiences for generations to come.
